# Welcome Back!

We are so thrilled to announce that Misty Travieso will be taking the afternoon teacher position for the 23.24 school year. Misty was a DELC teacher from 2017 - 2021. We are lucky to have her back in the DELC family!

A disorganized brain is always disengaged from learning. The Active Calming Center guides children through nine physical and mental tasks that help them calm down and cooperate. We are excited to have our active calming center set up in the front entryway!

2324 enrollment paperwork and financial agreements are going out this month! We need updated:

- emergency information
- your child's annual wellness check signed by your pediatrician & immunizations
- permission forms.

Durango Early Learning Center Land Acknowledgement

Welcome to the Durango Early Learning Center. We respectfully acknowledge that the school is located in Durango, Colorado, the ancestral and unceded territory of the Ute (Núu-agma-tuvv-pv), Diné (Navajo: Naabeehó Bináhásdzo), Hopi (Hopituh Shinu-mu) Pueblos, Apache and Zuni (Shiwi'ma) People who have been stewards of this land throughout generations. As early childhood care providers and educators of our future generation, it is our responsibility to acknowledge the impacts of the unkind acts that have led to the unfair and inappropriate treatment of people that traditionally lived here and still live here today. We lead by example and share stories of this land that are respectful to the people and the real history of this region. As we teach our children, we strive to nurture a culture that takes responsibility for our actions, and is curious, honest, and inclusive to the diverse backgrounds in our community. #HonorNativeLand
